# 125th Anniversary Tin

## Limited Edition

A tribute to Walker's history, this limited edition is a modern day take on one of the original tins developed by the Walker family in the 1960s.

Destined to be a collector's item, the tin contains delightfully crumbly all-butter petticoat tail shortbread triangles, whilst the design features a beautiful illustration of the Walker's Kilted Lass, complete with petticoat, as well as our iconic tartan on the sides.
